

## Guide to shipping services to PNG region from North Queensland

This table shows shipping times for sample services on individual company websites for early 2013. These are intended as a guide only to available services and duration of voyage, and are subject to change. In all circumstances please refer to the shipping company for current schedules prevailing.

Specific services connect with PNG coastal shipping services, charters and private shipping arrangements.

| Shipping service                                       | Country, port and day of departure |           |            |                  |        |     |        |                 |      |         |                |             |          |
|--|------------------------------------|-----------|------------|------------------|--------|-----|--------|-----------------|------|---------|----------------|-------------|----------|
|  | New Zealand                        | Australia |            | Papua New Guinea |        |     |        | Solomon Islands |      | Vanuatu | Australia      | New Zealand |          |
